

FOREVER BROADCASTING

JOB POSTING

Account Executive

Job Position: Account Executive (Altoona, PA)

Description: Are you tired of working in a job that does not excite, invigorate, and enrich you? Are you a superstar just looking for a chance to show what you're made of?

This could be your chance! We have an Advertising Sales Position available on our Marketing Staff. Imagine yourself working with area businesses showing them the advantages of advertising on our stations.

We're looking for a profile – a kind of person – not necessarily for experience. The person we are looking for:

- Excels at everything they do
- Gives 110% effort
- Has a Positive Mental Attitude
- Wants to make money.

If you're the person we're looking for...this is the opportunity you've been looking for. While we would like to talk to everybody, please do not call unless you fit the profile. Call 814-941-9800 and ask for Bobbi if you fit these requirements.
